ENTERPRISE IN KERRY

A spotlight on entrepreneurial activities

Kerry Month of Enterprise (KMOE) is a month long celebration of enterprise activities that take place around the county throughout the year.

A series of events organised throughout the month gives established businesses and budding entrepreneurs an opportunity to network and discover the assistance available to them in growing and sustaining an enterprise in Kerry. The month is a collaborative initiative between IT Tralee, Kerry County Council, Kerry Local Enterprise Office, Enterprise Ireland, North, East & West Kerry Development (NEWKD); South Kerry Partnership Development (SKDP), IRD Duhallow, IDA Ireland, and Udarás na Gaeltachta.

The Kerry economic and entrepreneurial culture is one which promotes and supports the setting up of new businesses across the county in multiple sectors with a view to scaling. The strong collaboration between industry, the Institute of Technology Tralee, Kerry County Council, local development partnerships and state agencies continues to foster the growth of indigenous and foreign direct investment organisations across the region.

Starting a business can be daunting, but the many supports in place throughout the county are there to help and advise you through the process. Inter-agency co-operation and co-ordination is strong in Kerry, creating a focused enterprise development strategy dedicated to supporting entrepreneurs. Through these collaborative organisations, up and coming entrepreneurs can avail of mentoring, workshops, networking, prototyping, market research and funding supports. Whether you are looking to grow your existing business or have an idea for an exciting new venture there is a wealth of advice and assistance available to you.

In addition to a wonderful line-up of events from KMOE Partners, this year we are delighted to showcase many new events in the schedule of activities, including events from the Agricultural Centre of Excellence (ACE), Kerry SciTech, and Tralee Chamber Alliance.

We look forward to welcoming and meeting you at the series of events that is brought to you by the KMOE and indeed throughout the year. Information on all events listed in this guide can be found on www.kmoe.ie.
