1. Cllr. L Purtill: Does Kerry County Council have a bond in place from the Lenamore wind turbine company? (a) To note update report from the Operations, Safety & Infrastructure Directorate

(b) Notices of Motion

1. Cllr. L Purtill: That Kerry County Council address the problem where there is water lodging at Carhoona, Tarbert on the Ballylongford side of the homes of (Details with Directorate). This problem has got much worse since the road was tarred and is dangerous because of the proximity to the bend.

2. Cllr. L Purtill: That Kerry County Council would surface dress the Steeple Road, Tarbert. Parts of the road have deteriorated considerably in recent times and badly need upgrading.

3. Cllr. L Purtill: That Kerry County Council would urgently address the problem with two manhole covers on the low road from Tarbert to Ballylongford. One is near the home of (Details with Directorate) . this is a grave danger to traffic and could cause a serious accident. The second is outside (Details with Directorate) and is also a hazard to road users.

4. Cllr. L Purtill: That Kerry County Council would upgrade the road from Callaghans Cross to Lenamore Cross (Ballylongford). This road has deteriorated dramatically because of the hundreds of truck loads of material supplying the Lenamore windfarm. I believe this company should be held accountable for the damage to the road.

5. Cllr. L Purtill: That Kerry County Council would trim the hedges on the sides of the road from McElligotts Cross (Puleen Road) to Glenculare Cross, Tarbert. This road is the school bus route. The hedges are very overgrown and this is a narrow route.

6. Cllr. L Purtill: That Kerry County Council would skirt the Rattoo road leading to the Rattoo Tower. This road is very narrow and is used by many visitors to the tower. It would also help to keep water off the road.

7. Cllr. T Barry: That Kerry County Council will carry out repairs to the road at Dirha cottages Listowel.

8. Cllr. R Beasley: That Kerry County Council replace the footpath coming into Ballybunion from Ahafona to (Details with Directorate) on the left hand side coming in from Listowel.

9. Cllr. R Beasley: That Kerry County Council consider extending the footpath from Sandhill cottage which is on the Golf Course down to the Cashen. This would have to be done in consultation with Ballybunion Golf Club to obtain approximately two feet of ground.

10. Cllr. R Beasley: That a new path be provided at the rear of (Details with Directorate) overlooking the black rocks and mens beach in Ballybunion.

11. Cllr. R Beasley: That Kerry County Council remove the ditch adjacent to Cluain na nAisling, Causeway and replace it with a block built wall to try to help with the elimination of rodents which have caused a lot of upset to the residents.

12. Cllr. R Beasley: That Kerry County Council consider re-tarring the car park outside St. John's Church, Causeway which is in a very bad state and dangerous for mass goers and people visiting the graveyard.

13. Cllr. R Beasley: That Kerry County Council speed up the necessary work to have the new public toilets in Ballybunion ready for the June bank holiday weekend 2018.

14. Cllr. R Beasley: That Kerry County Council rectify the problem with water coming down the Tullamore/Lahesrough road which was directed into a passageway and flooded the land of the owner (Details with Directorate). This happened a long time ago and was an injustice that has to be sorted out. It was a quick solution at the time but it was wrong.

15. Cllr. R Beasley: That Kerry County Council act without further delay to have phase 2 of the Dale Road works carried out as the road continues to deteriorate and tour operators are threatening not to travel the route because of danger to passengers. This will have a detrimental effect on Ballybunion Golf Club and the northern part of North Kerry.

16. Cllr. T Barry: That Kerry County Council would erect a sign at the entrance to Cluainin stating the name of said estate.

21. Cllr. J Moloney: How many public lights were repaired in the Municipal District in 2017? What was the average waiting time for repairs?

22. Cllr. J Lucid: I would ask Kerry County Council to allocate additional budget resources on a once off basis to replace the sluice gates at Ardkeragh. The old gates are obsolete and are not doing the job they were intended to do. This leads to flooding on the R551 at Buncurrig, Ballyheigue

23. Cllr. J Lucid: Can Kerry County Council carry out dredging works on the drainage network at both Bawnmore and Togherbane, Kilmoyley. This will increase the drainage capacity of the drains and reduce the threat of flooding on the R551 at Buncurrig.

24. Cllr. J Lucid: Can Kerry County Council investigate the drainage at Knockane, Ballyheigue near the entrance to the property of (Details with Directorate). Flooding in this area is causing damage to part of the North Kerry Way walk between Knockane and the Mountway.

25. Cllr. J Lucid: Can Kerry County Council paint the black railing outside Sraid Thaidhg , Ballyheigue with a luminous colour so that passing motorists can clearly see the railing as it is on the verge of the road.

26. Cllr. J Lucid: I ask that Kerry County Council clean the drains and gulleys on the L-10420-0 at Tiduff, Ballyheigue. Water is lodging on the road at four places and it will seriously damage the condition of the road if this is not addressed.

27. Cllr. J Lucid: Can Kerry County Council clean the drains and gulleys on the L 1033-88 between Tiduff cross and Keel Cross. The drains are not containing the water and this will damage the road surface.

28. Cllr. M Kennelly: That Kerry County Council remove a dangerous tree at the residence (Details with Directorate), this needs to be removed immediately.

29. Cllr. M Kennelly: That Kerry County Council install a fence at the section of a property at rear of William St and Market St, Listowel as this area is being used as a passage way to other areas.

33. Cllr. M Kennelly: That Kerry County Council carry out immediate road repairs outside the residence of (Details with Directorate).

34. Cllr. M Kennelly: Kerry County Council needs to urgently replace sections of the Killocrim Road, that I have highlighted over the past two years as this road is in a horrendous and dangerous condition.
