**Objectives:**

Objective No.	It is an objective of the Council to:
MU-1	Zone lands for the environmentally sustainable development of mixed uses at appropriate locations to provide for the expansion of local employment, retail and service uses while protecting features of biodiversity and cultural importance.
T-1	To facilitate the sustainable development of a recreational walking trail between the historical Abbey site and the village while protecting features of biodiversity and cultural importance.
T-2	To facilitate the sustainable development of a recreational walking/cycling trail along the disused railway line while protecting features of biodiversity and cultural importance.
NE-1	Development should protect and promote vistas of the Abbey as indicated on the zoning map
ED-1	Provide land for possible school extension, play area etc, at an appropriate location.
EN-1	Promote environmental improvements designed to upgrade the streetscape and add continuity to an otherwise disjointed streetscape, while protecting features of architectural and cultural importance.
AM-1	Promote the sustainable development of a linear river side amenity area/walkway in a manner compatible with the Natural Environs, Flood Risk Management, Built Heritage, and Archaeology Objectives of this Plan.
