Objectives:

Objective No.	It is an objective of the Council to:
NE-1	Seek to protect the existing mature trees and enhance with additional native planting where possible
AM-1	To reserve the lands indicated on the zoning map for active recreational uses and a town park, including a playground.
MU-1	Zone lands for the environmentally sustainable development of mixed uses at appropriate locations to provide for the sustainable expansion of local employment, retail and service uses while protecting features of biodiversity and cultural importance.
EN-1	Promote environmental improvements designed to upgrade the streetscape and add continuity to an otherwise disjointed streetscape while protecting features of architectural and cultural importance.
T-1	Provide for Pedestrian Walkways/Routes at appropriate locations and in a sustainable manner.
BH-1	Seek to protect the existing streetscape.
